

PIPING

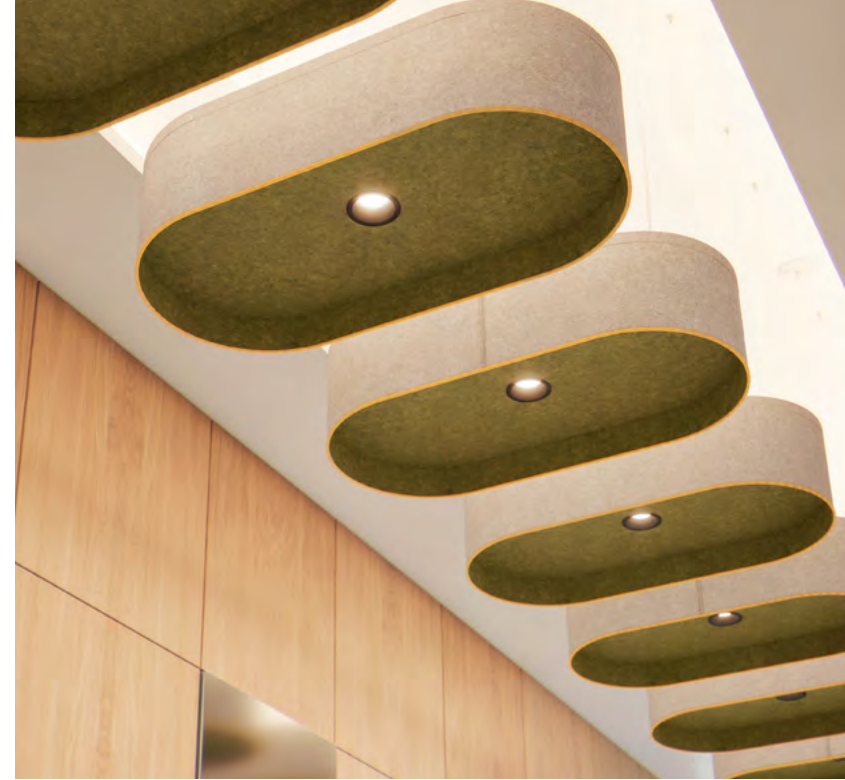

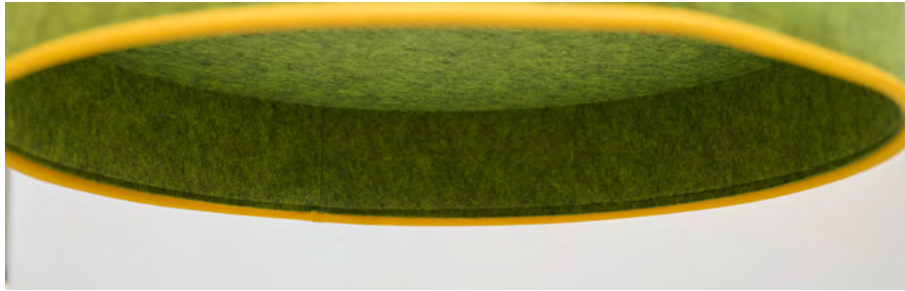

A close-up photograph of a curved, textured surface, likely a piece of fabric or leather, with a blue piping edge. The surface is a warm, golden-brown color and has a fine, pebbled texture. The blue piping is visible along the bottom edge of the curve. The background is a soft, out-of-focus gradient of purple and blue.

SABIN

Acoustics + Lighting

WHAT MAKES IT GREAT

Sabin now offers accent piping on the following fixtures: Quad, Tri, Obforma, and Cylinder. Piping is available in 14 colors and appears on the lower rim of the fixture. We provide designers with more ways to express details of craftsmanship and personality. Our piping detail acts as a texture enhancer, when matching the colorway of the felt, or a contrasting element, when included as a pop of color.
